

# SENSITIVE ELECTRONICS MAT

**BECAUSE TOUGH JOBS NEED TOUGHER MATS.**

Electronics Manufacturing | Data Centers | Server Rooms  
Microchip Production | Battery Manufacturing

3 SIZE OPTIONS

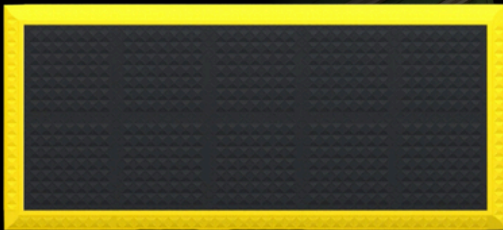

ESDA1BZ1  
3ft x 3ft

ESDA1BZ2  
3ft x 5ft

ESDA1BZ3  
3ft x 8ft

## DISSIPATE STATIC ELECTRICITY

- Prevent damage to sensitive electronic components
- Certified and tested for ANSI/ESD S7.1

## STAYS PROTECTIVE

Because the ESD technology is embedded throughout the material of entire tile, protection doesn't disappear, even with surface wear.

## BUILT FOR COMFORT

Mat cross-section  
showing compression

- Ergonomic and anti-fatigue
- Spring-like surface keeps the body moving
- Ensures even weight distribution

## PROVEN ROI

- Eliminate slip hazards
- Reduce lost time injuries with proven ergonomics
- Built to last, guaranteed for 2+ years
